Assembly Instructions

1
Unpack contents of bag.

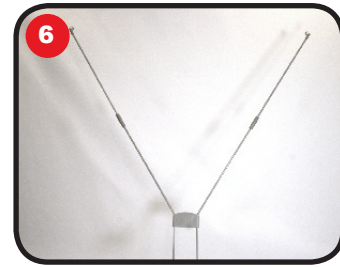

2
Position base.

3
Use hook to connect pole to base.

4
Hook other pole to base for double sided.

5
Attach remaining parts using elastic cords as guides.

6
Insert narrow end of assembled poles into set of holes in base.

7
Poles inserted in base should be in set of holes farthest from horizontal poles in base.

8
Fill base with water or sand to provide weight.

9
Attach each corner of graphic to hooks by placing each grommet over hooks on poles.

10
When using as a double banner stand, repeat the above steps with the second set of hardware.

Reverse the procedure to disassemble.
