1mm (0.039") thick maximum
For outdoor use encapsulate graphic or use suitable substrates.

additional info

Availability:
Aluminium frame with Anodised silver finish and grey moulded base.

Assembly Instructions

Kit includes: Poster frame, moulded base, 2x bolts, 2X washers.

Slide the poster frame supports into the holes in the moulded base.

Secure the poster frame to the moulded base using the bolts along with the washer.

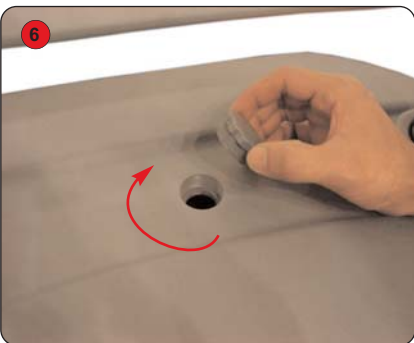

Open the snap frame by lifting the edge up with your fingers.

All four of the edges should open.

All of the edges should snap again.

The plug on top unscrews so that it is easy to fill with sand and water.

Here is completed Whirlwind.

Whirlwind can easily be moved by lowering the unit onto the wheeled side
