EZ TUBE DISPLAY 20FT STRAIGHT

Medium Hard Case is included.

Product Features

Sleek and "EZ", our tension fabric systems are a great alternative to standard backwall displays. Quickly assembled in just 5 minutes, slide the tubes together to make the frame and lock in place with a push button snap. Then, simply pull the pillowcase-like graphic over the frame and zip it shut. The zipper, hidden from view, tightens the stretch fabric beautifully displaying your images. Disassembled, the lightweight frame and graphic fits inside a compact silver bag. The EZ Tube is available in 5 sizes and different styles. Quantity Prices are also available on our website.
