Purchase with Confidence

All of our products come with a manufacturer warranty of 90 days to 5 year guaranteeing manufacturers parts and general function. Any defects will be repaired at no cost to the customer if they are a manufacturing defect.

Northwest Creative Imaging, LLC honors this warranty and will repair or replace parts that are defective in functionality at no cost to the customer. This warrantee does not cover shipping damage, theft, user error, or damage inflicted by the end user. The Customer is responsible for shipping the item to the repair facility.
